

Kay Rowe is the start of your **child's** school life. Your child will achieve best when:

S/he attends every day. Key workers can build on your child's learning and interests daily.

S/he wears appropriate clothes. Our children learn through running, climbing, getting messy.

S/he is not hungry. Regular mealtimes mean bright and receptive minds.

S/he has had enough sleep. A regular bedtime routine and 10-12 hours sleep a day are recommended.

You take an active interest, ask regularly about your child's progress, take home and treasure their artworks and other creations.
